## **Wyoming Game and Fish Department Hunting License Application Information**

### **WHAT'S NEW FOR 2017**

- Proposed change to leftover license process – page 1.
- Online applications will be accepted beginning at 8:00 a.m. on the specific date listed.
- Elk, deer and antelope regulation brochures will no longer be mailed with licenses. They have been combined into one regulation brochure and will be mailed in August.

For more information on hunting in Wyoming, please see the **Hunt Planner** at <https://wgfd.wyo.gov/hunting/hunt-planner>.

### **LEFTOVER LICENSES**

The Department will be proposing changes to the leftover license process for 2017. The Department is proposing to conduct a leftover drawing for elk, deer and antelope limited quota licenses remaining after the initial limited quota drawing. The change to a leftover drawing will address comments the Department has received from customers regarding the inequity of the leftover sales process. The Department will be taking public input on this change through the regulation process. Please refer to the Department's website for information on the 2017 proposed elk, deer and antelope leftover drawing as it becomes available.

- Proposed application period for leftover deer, elk and antelope drawing – June 22 – July 6, 2017.
- Results of proposed leftover drawing available – July 13, 2017.
- Licenses left after the initial drawing and the proposed leftover drawing go on sale on a first come, first served basis – July 17, 2017.

### **APPLICATION DATES AND DEADLINES**

#### **Online Applications**

**The Department shall begin accepting applications at 8:00 a.m. on the specified date listed in the application deadline charts below.**

**Online applications must be completed and submitted by midnight mountain time on the deadline date.** Fees must be paid in full by Visa, Mastercard or Discover when the application is submitted. **Unsuccessful applicants will no longer receive refund warrants, but will instead have a credit applied back to the credit card that was used for the submission of the online application.** To assist in this process, please ensure that the credit card used has an expiration date valid through the time period in which the drawing will be conducted. The Department will issue refund warrants in all circumstances when the credit card is no longer valid for processing a credit back to the card. For instructions on how to apply online, please see page 16.

Customers who need assistance submitting their applications online may go to a Department Regional Office or the Cheyenne Headquarters Office to use a computer at the kiosk station and receive personal assistance from Department personnel.

## Landowner Licenses

Individuals who qualify for landowner elk, deer, antelope or wild turkey licenses must apply within the landowner license application period to the game warden in the area where the deeded lands are located. Anyone who applied as a landowner

the previous year will be mailed applications. Landowner applications can also be obtained from your local game warden, the Cheyenne Headquarters Office or Department Regional Offices.

Landowner licenses are applied for by a landowner applicant or a member of the landowner applicant's immediate family. No more than two (2) landowner licenses for each big game species or spring or fall wild turkey will be issued for a parcel of deeded land meeting specified qualifications in a calendar year. In no case may an individual landowner applicant apply for or receive more than one (1) full price and one (1) reduced price landowner license per big game species or one (1) landowner license for a spring wild turkey and one (1) landowner license for a fall wild turkey in a calendar year.

Minimum requirements are 160 acres of contiguous deeded land and 2,000 animal use days annually by each species for which applied. Nonresident landowners should contact their local game warden to determine eligibility for landowner licenses well before January 20 for elk and May 15 for deer and antelope. Resident landowners should contact their local game warden to determine eligibility for elk, deer or antelope landowner licenses well before May 15. If you do not know who your local game warden is, contact the Department Regional Office in your area.

**Landowner Application Deadlines – applications must be submitted by midnight mountain time (MT) on the deadline date to the local game warden in the area where the deeded lands are located.**

## Multiple applications for licenses are prohibited

No person shall apply for or receive more than one (1) license for each big game or trophy game species during any one (1) calendar year, except as otherwise provided by law or regulation. No person shall apply for or receive more than one (1) spring wild turkey license and one (1) fall wild turkey license in any one (1) calendar year, except as otherwise provided by law or regulation.

# **SPECIES INFORMATION**

## **Big Game Limited Quota License Fee Types**

<b>Type</b>	<b>Description</b>	<b>License Fee Type</b>
Type 1 & 2	Antlered or Any	Full Price Fees
Type 3	Antlered or Any White-Tailed Deer Full Price Elk Full Price Antelope	Full Price Fees
Type 4 & 5	Antlerless	Full Price Fees
Type 6 & 7	Doe/Fawn, Cow/Calf or Ewe/Lamb	Reduced Price Fees
Type 8	Doe/Fawn White-Tailed Deer Reduced Price Cow/Calf Elk Reduced Price Doe/Fawn Antelope	Reduced Price Fees
Type 9	Archery Only	Full Price Fees
Type 0	Specialty Weapon Only (excluding archery)	Full Price Fees

Licenses are issued for hunt areas, season dates and sex limitations as approved by the Commission. License Type indicates limitations such as sex of animal, length of season, type of weapon or the portion of the hunt area in which the license is valid. **Final license quotas, hunting season dates and limitations are set at the April Commission meeting. This information will be available on the Department's website shortly afterward.** Applicants are encouraged to review the final information and alter their applications, if necessary. See the section titled *View and Modify Previously Submitted Applications under I've Submitted My Application – Now What?* on page 19.

### **What is the difference between a Full Price Antlerless License and a Reduced Price License?**

Price is the difference. A full price license is required if the applicant wishes to hunt an antlered animal. However, if the applicant only wishes to hunt an antlerless animal, it may be beneficial to determine if an area offers a reduced price license. Full price licenses include Types 1, 2, 3, 4, 5, 9 and 0. Reduced price licenses are Types 6, 7 and 8. Reduced price licenses are offered to encourage additional harvest in hunt areas where populations are above management objective.

### **Withdrawal Block**

The withdrawal block is your method of communicating to the license system that you do NOT want a reduced price license if you do NOT draw a full price license. The full price license drawing is conducted first. Before conducting the reduced price license drawing, the system will automatically review all reduced price license applications and remove any application from participating in the reduced price license drawing if the system does not find a full price license issued for the sportsman and the withdrawal block was checked.

The sportsman should understand that the system does not look for the hunt area in which the full price license was issued. It only looks for the existence of a full price license being issued. It is possible to draw your reduced price license and your full price license for different hunt areas. If you don't want to draw a reduced price license in a hunt area that differs from the hunt area you are applying for your full price license, then you should list the same hunt area as your first choice on both applications, leave the other choices blank and check the withdrawal box. The result will be that, if you don't draw your full price license, you will not participate in the reduced price license drawing. Keep in mind, the drawings are independent of each other. If you draw your full price license, you may not draw your reduced price license. However, if the withdrawal

block is checked and you don't draw your full price, you won't draw a reduced price license because you will not be in that drawing.

## Antelope

No general antelope licenses are offered. All antelope licenses are limited quota. Antelope licenses are valid only in the hunt area(s) for which they are issued.

Before applying for an antelope license, the applicant should review the [Hunt Planner](#) and the **tentative** antelope hunting season information, specifically the limitations column, to determine the type of license that is valid in the specific hunt area for which you are applying.

In the initial license drawing, an applicant may apply for one (1) full price license and up to two (2) reduced price doe/fawn licenses. After the initial license drawing, an applicant may apply for and receive up to two (2) full price licenses and up to four (4) reduced price doe/fawn licenses in any area with leftover quotas. These limits include any licenses issued in the initial license drawing, the proposed leftover drawing and on a first-come, first-served basis.

### Full Price Antelope License

The Wyoming Game and Fish Commission (Commission/WGFC) may authorize a sportsperson to possess more than one (1) limited quota any antelope license in certain antelope hunt areas. For those certain hunt areas, a sportsperson may possess a maximum of two (2) limited quota any antelope licenses. A second limited quota any antelope licenses shall only be available to residents and nonresidents through the proposed leftover drawing and on a first-come, first-served basis after the initial license drawing is completed. The second any antelope license shall be sold for the full price. Refer to the section on *Issuing Licenses after the initial Limited Quota Drawings* for further information.

### Nonresident Special Antelope License

Wyoming statute sets aside 40% of nonresident antelope licenses for applicants paying a higher fee. Applicants who pay the extra \$240 for a special full price antelope license will participate in a separate preference point and random computer drawing.

### Reduced Price Doe/Fawn Antelope License

Reduced price doe/fawn antelope licenses are limited quota only. These licenses are valid only for the hunt area(s) and limitations for which they are issued.

The Commission may authorize a sportsperson to possess more than two (2) reduced price doe/fawn antelope licenses in certain antelope hunt areas. The actual total number of reduced price doe/fawn antelope licenses a person may possess will be determined at the April Commission meeting each year. Regardless of the total number of reduced price doe/fawn antelope licenses any person can possess, a maximum of only two (2) reduced price doe/fawn antelope licenses can be applied for in the initial license drawing.

## Bighorn Sheep

Before applying for a bighorn sheep license, the applicant should review the [Hunt Planner](#) and the **tentative** bighorn sheep hunting season information, specifically the limitations column, to determine the type of license that is valid in the specific hunt area(s) for which you are applying.

An individual may apply for and receive one (1) full price Type 1 bighorn sheep license and/or one (1) reduced price Type 6 bighorn sheep ewe/lamb license.

Wyoming statute provides that any successful full price bighorn sheep applicant must wait five (5) years to next apply for or receive another full price bighorn sheep license. For example, a full price bighorn sheep applicant successful in 2012 would not be eligible to apply for or receive another full price bighorn sheep license until 2017, nor would the applicant be eligible to purchase a bighorn sheep preference point during this same five (5) year period (until 2017).

### Full Price Type 1 Bighorn Sheep License

Bighorn sheep licenses are issued for hunt area, season dates and sex limitations.

An applicant may list only one (1) hunt area choice for a full price Type 1 bighorn sheep license.

According to Wyoming statute, 75% of Wyoming bighorn sheep hunting licenses must be issued to residents and 25% to nonresidents. Traditionally, these licenses have been issued in multiples of four (4) (3 residents: 1 nonresident) for each hunt area. There are several full price bighorn sheep hunt areas with populations too small to sustain at least four (4) total full price bighorn sheep hunting licenses. In order to provide additional hunting opportunity while complying with statutory provisions, for 2017 there are several bighorn sheep hunt areas (refer to bighorn sheep **tentative** hunting season information) that will offer either one (1) or two (2) total hunting licenses. Applicants should verify whether a particular hunt area will offer only a resident or both a resident and a nonresident full price bighorn sheep hunting license before applying. Applicants should recognize that these license allocations are dynamic and will change each year to meet the statutory requirement.

#### Reduced Price Type 6 Bighorn Sheep Ewe/Lamb License

Reduced price Type 6 bighorn sheep ewe/lamb licenses are issued for hunt area, season dates and sex limitations. These licenses may not be available every year.

The applicant may list only one (1) hunt area choice for a reduced price Type 6 bighorn sheep ewe/lamb license.

Reduced price Type 6 bighorn sheep ewe/lamb licenses are independent of the preference point system. Receiving only a bighorn sheep ewe/lamb license has no effect on the number of preference points an applicant has for a full price Type 1 bighorn sheep license.

## Deer

Before applying for a deer license, the applicant should review the [Hunt Planner](#) and **tentative** deer hunting season information, specifically the limitations column, to determine the species of deer for which the license is valid in specific hunt area(s).

#### **Resident general deer licenses will be available for sale over-the-counter beginning July 1.**

Applicants for deer licenses should be aware both mule deer and white-tailed deer inhabit Wyoming. Deer licenses may be valid for either species, or licenses may be restricted to mule deer or white-tailed deer only.

In the initial license drawing, an applicant may apply for one (1) full price deer license and up to two (2) reduced price doe/fawn licenses.

After the initial drawing, an applicant may apply for and receive up to two (2) full price deer licenses, provided that at least one (1) license is a limited quota Type 3 any white-tailed deer license. Applicants are encouraged to apply for a Type 3 license in the initial drawing rather than waiting to see if any remain available after the drawings are conducted.

After the initial license drawing, an applicant may apply for and receive up to four (4) reduced price doe/fawn deer licenses. These limits include any licenses issued in the initial license drawing, the proposed leftover drawing and on a first-come, first-served basis. In some hunt areas, after the initial drawing is complete, a person may purchase an unlimited number of reduced price doe/fawn deer licenses.

#### Full Price Deer License

Nonresident deer licenses are either region general deer licenses or limited quota deer licenses valid in specific hunt area(s). Check the hunt area, type and limitation columns to determine if the hunt area is a general or limited quota deer area. For nonresident region general deer licenses, select the letter of the region you prefer to hunt. Regions and their hunt areas are listed around the border of the deer hunt area map.

Region general deer licenses are valid in any hunt area that is not totally limited in quota within that region. If you want to apply for a limited quota deer license, apply for the specific hunt area and type.

A person may apply for and receive a maximum of one (1) limited quota Type 1, Type 2, Type 3 or general deer (resident) or region general deer (nonresident) license through the initial license drawing period. After the initial license drawing is completed, any person may apply for and receive a second full price deer license, provided that at least one (1) of the licenses is a limited quota Type 3 any white-tailed deer license in the proposed leftover drawing or on a first-come, first-served basis. However, no person shall receive more than a total of two (2) deer licenses valid for the taking of antlered or any deer, of which not more than one (1) shall be valid for antlered or any mule deer in any one (1) calendar year.

A second limited quota any white-tailed deer licenses shall only be available to residents and nonresidents in the proposed leftover drawing and on a first-come, first-served basis after the initial license drawing is completed. The second any white-tailed deer license shall be sold for the full price. Refer to the section on *Issuing Licenses after the initial Limited Quota Drawings* for further information.

#### Nonresident Special Deer License

Wyoming statute sets aside 40% of nonresident deer licenses for applicants paying a higher fee. Applicants who pay the extra \$240 for a special full price deer license will participate in a separate preference point and random computer drawing.

#### Reduced Price Doe/Fawn Deer License

Reduced price licenses for doe/fawn deer are limited quota only. These licenses are valid only for the hunt areas and limitations for which they are issued.

The Commission may authorize a sportsman to possess more than two (2) reduced price doe/fawn deer licenses in certain deer hunt areas. The actual total number of reduced price doe/fawn deer licenses a person may possess will be determined at the April Commission meeting each year. Regardless of the total number of reduced price doe/fawn deer licenses any person can possess, a maximum of only two (2) reduced price doe/fawn deer licenses can be applied for in the initial drawing. **Final license quotas, hunting season dates and limitations are set at the April Commission meeting. This information will be available on the Department's website shortly afterward.** Applicants are encouraged to review the final information and modify their applications, if necessary. See the section titled *View and Modify Previously Submitted Applications* under *I've Submitted My Application – Now What?* on page 19.

## Elk

Before applying for an elk license, the applicant should review the [Hunt Planner](#) and the **tentative** elk hunting season information, specifically the limitations column, to determine the type of license that is valid in the specific hunt area(s) for which you are applying.

#### **Resident general elk licenses will be available for sale over-the-counter beginning July 1.**

The total limit for elk licenses a person may possess differs from deer and antelope in that full price elk licenses and reduced price cow/calf elk licenses are combined together to calculate the total number of elk licenses allowed by any one person. An applicant shall apply for or receive no more than a total of three (3) elk licenses in any one (1) calendar year.

No person shall apply for and receive more than one (1) full price (General, Type 0, 1, 2, 3, 4, 5 or 9) and one (1) reduced price (Type 6, 7 or 8) license through the initial drawing. After the initial drawing, a person may apply for and receive up to a total of three (3) elk licenses, of which no more than one (1) shall be a General, Type 0, 1, 2, 3 or 9 license.

Potential purchasing options for elk licenses: (these are just examples of license options and do not reflect all possible combinations)

1. A General License, a Type 4 license and a Type 6 license.
2. A Type 1 license, a Type 4 license and a Type 5 license.
3. A General license and two Type 6 licenses.

**Final license quotas, hunting season dates and limitations are set at the April Commission meeting. This information will be available on the Department's website shortly afterward.** Applicants are encouraged to review the final information and

modify their applications, if necessary. See the section titled *View and Modify Previously Submitted Applications under I've Submitted My Application – Now What?* on page 19.

A person may apply for a reduced price cow/calf elk license without applying for a full price elk license. However, no hunter may take more than one (1) elk in Grand Teton National Park (Elk Hunt Areas 75 and 79) regardless whether he/she possesses both a full price elk license and a reduced price cow/calf elk license valid for the hunt area in Grand Teton National Park. Applicants desiring to hunt within Grand Teton National Park must apply for Elk Hunt Area 75.

After the first week of the National Elk Refuge (Elk Hunt Area 77) season, all unused full price elk and reduced price cow/calf elk licenses, excluding limited quota archery only licenses, are eligible for the National Elk Refuge drawing in Elk Hunt Area 77.

A \$12.50 Elk Special Management Permit shall be required of any person who hunts elk in Elk Hunt Areas 70, 71, 75 and 77-98. The Elk Special Management Permit may be obtained from the Cheyenne Headquarters Office, Department Regional Offices, automated license selling agents or on the Department's website.

**The Department of the Interior requires hunter safety certification of all hunters, regardless of age, to hunt in Grand Teton National Park (Elk Hunt Areas 75 and 79). The Hunter Mentor Program and Hunter Safety Exemption are not valid in Grand Teton National Park.**

All nonresident full price elk licenses include an annual fishing privilege. Any hunter who is issued a full price elk license does not need to purchase an additional fishing license once their license is received in March. If you wish to fish prior to receiving your full price elk license, you must purchase a nonresident fishing license. Reduced price cow/calf elk licenses do not include fishing privileges.

#### Full Price Elk License

Limited quota full price elk licenses are valid only for a specified hunt area(s), season dates and sex limitations.

General elk licenses are valid in any hunt area or portion of a hunt area where the word "General" is listed under the limitations column.

#### Nonresident Special Elk License

Wyoming statute sets aside 40% of nonresident elk licenses for applicants paying a higher fee. Applicants who pay the extra \$480 for a special full price elk license will participate in a separate preference point and random computer drawing.

#### Reduced Price Cow/Calf Elk License

Reduced price licenses for cow/calf elk are limited quota only. These licenses are valid only for the hunt areas and limitations for which they are issued.

The Commission may authorize a sportsperson to possess more than two (2) reduced price cow/calf elk licenses in certain elk hunt areas. The actual total number of reduced price cow/calf elk licenses a person may possess will be determined at the April Commission meeting each year. Regardless of the total number of reduced price cow/calf elk licenses any person can possess, a maximum of only one (1) reduced price cow/calf elk license can be applied for in the initial drawing.

## **Moose**

Before applying for a moose license, the applicant should review the [Hunt Planner](#) and the **tentative** moose hunting season information, specifically the limitations column, to determine the type of license that is valid in the specific hunt area for which you are applying.

Moose licenses are issued for a hunt area, season dates and sex limitations. The applicant may list only one (1) hunt area choice for moose.

Wyoming statute provides that any successful moose applicant must wait five (5) years to next apply for or receive another moose license. For example, a moose applicant successful in 2012 would not be eligible to apply for or receive another

moose license until 2017, nor would the applicant be eligible to purchase a moose preference point during this same five (5) year period (until 2017).

## Mountain Goat

Before applying for a mountain goat license, the applicant should review the [Hunt Planner](#) and the **tentative** mountain goat hunting season information, specifically the limitations column, to determine the type of license that is valid in the specific hunt area for which you are applying.

Mountain goat licenses are issued for a hunt area, season dates and sex limitations.

A mountain goat license is a once-in-a-lifetime license. If you drew a mountain goat license after 1995, you may not apply again.

## Wild Bison

Before applying for a wild bison license, the applicant should review the [Hunt Planner](#) and the **tentative** wild bison hunting season information, specifically the limitations column, to determine the type of license that you can legally apply for. Licenses are issued for a hunt area, season dates and sex limitations. In 2013, Wyoming Statute § 23-2-107 was amended so that any person who is issued an “any wild bison” license (Type 1) and **harvests** a bull wild bison shall be ineligible to apply for or receive an “any wild bison” license in any future year, but shall be eligible to apply for and receive a “female or calf wild bison” license in the immediately following season. In addition, any person who is issued an “any wild bison” license and **harvests** a female or calf wild bison shall be ineligible to apply for or receive a “female or calf wild bison” license in the immediately following five (5) years, but shall be eligible to apply for and receive an “any wild bison” license in the immediately following season. Any person who is issued a “female or calf wild bison” license (Type 4) and **harvests** a female or calf wild bison shall be ineligible to apply for or receive an “any wild bison” license or a “female or calf wild bison” license in the immediately following five (5) years.

Applicants successful in drawing a wild bison license can apply for a permit to hunt the National Elk Refuge. The application process for National Elk Refuge hunting permits is conducted in cooperation with the National Elk Refuge prior to the start of the hunting season. Applications are available through the Department’s website, [Access Yes Program](#). Alternate permits will also be available during each hunt period through the Department’s website.

## Wild Turkey

Before applying for a wild turkey license, the applicant should review the [Hunt Planner](#) and the **tentative** wild turkey hunting season information, specifically the limitations column, to determine the type of license that is valid in the specific hunt area(s) for which you are applying.

An applicant may apply for or receive no more than one (1) fall wild turkey license and one (1) spring wild turkey license in the initial drawing. After the initial license drawing is completed, an applicant may apply for and receive up to three (3) wild turkey licenses valid for each season, provided that at least two (2) of those licenses are limited quota Type 3 licenses. However, no applicant shall apply for and receive more than a total of three (3) wild turkey licenses valid for the spring season and no more than a total of three (3) wild turkey licenses valid for the fall season.

## Big Game Preference Points

The preference point system is designed to improve an applicant’s odds of eventually drawing a license in a hard-to-draw hunt area. Preference points are utilized in conducting the resident and nonresident moose, resident and nonresident full price bighorn sheep, nonresident elk, nonresident deer and nonresident antelope drawings. Seventy-five percent (75%) of available licenses in each hunt area and license type will be allocated to the preference point drawing. Applicants with the highest preference point ranking will receive priority in the preference point drawing. The remaining twenty-five percent (25%) of available licenses will be allocated in a random drawing regardless of preference points. The random drawing is intended to provide everyone who applies a chance of drawing a license, regardless of their preference point total.

All applicants will participate in the preference point drawing even if they have no preference points. After the preference point drawing is completed, all unsuccessful applicants will then participate in the random drawing.

A youth applicant wanting to be awarded preference points must be at least eleven (11) years old at the time of submitting an application for a big game limited quota license and must be at least twelve (12) years old when in the field hunting.

A youth applicant wanting to purchase preference points only must be at least eleven (11) years old at the time of submitting an application and must be at least twelve (12) years old by December 31 of that year.

Preference points are assigned to the person's sportsperson identification number and are tied to a species, but not to a specific hunt area. You are allowed to apply for different hunt areas from one year to the next.

**Preference points shall not be restored when an applicant causes more than one customer record to be generated due to using a different last name, first name, date of birth or last four of their social security number. Such circumstances cause preference points to be accumulated under different sportsperson identification numbers and ultimately deleted for failure to apply under the same sportsperson identification number.** Exceptions may be made for a name change because of marriage or divorce.

Preference points applied for, awarded or purchased during 2017 are not available for use in the 2017 limited quota drawings. Any preference points awarded in 2017 will be available for use in the 2018 limited quota drawings.

No person may apply for, or be awarded, more than one (1) preference point per species in the same calendar year.

If you were awarded a preference point in the initial drawing period, you are not eligible to purchase a preference point during the preference point only application period.

Please refer to the Department's website for the application period to apply for the purchase of a preference point only using the online system as per the dates on pages 2-3. There is no application fee to purchase a preference point only.

If a person fails to either apply for a drawing with the preference point option or purchase a preference point during the preference point only application period for two (2) consecutive years, all accumulated points for that species will be lost.

#### Moose and Full Price Bighorn Sheep Preference Points (Residents and Nonresidents)

For moose and full price bighorn sheep, preference points can be accumulated either by submitting an application for the limited quota drawings or by purchasing a preference point during the preference point only application period using the online system as per the dates on pages 2-3.

All applicants who are unsuccessful drawing a moose or full price bighorn sheep license will automatically be awarded a preference point each year they participate in the limited quota drawing.

Nonresidents will have the applicable moose (\$75) and/or full price bighorn sheep (\$100) preference point fees deducted from their license refund. Residents will receive a full refund of their license fee.

If you don't participate in the limited quota drawing for moose or full price bighorn sheep, you may purchase a preference point using the online system as per the dates on pages 2-3. The resident fee to purchase a moose or full price bighorn sheep preference point is \$7. The nonresident fee to purchase a moose preference point is \$75 and the nonresident fee to purchase a full price bighorn sheep preference point is \$100.

For moose and full price bighorn sheep, an applicant will lose all accumulated preference points if they draw a license or if they fail to be awarded a preference point within two (2) consecutive years by either participating in the limited quota drawing or purchasing a preference point during the appropriate application period.

A successful applicant for moose or full price bighorn sheep must wait five (5) years before they will become eligible to participate in either the limited quota drawing or purchase preference points.

Full Price Elk, Deer and Antelope Preference Points (Nonresidents Only)

For nonresident full price elk, deer and antelope, preference points can be accumulated either by submitting the applicable fee when applying for the initial limited quota drawing for licenses or by purchasing a preference point as per the dates on page 3.

If the nonresident applicant wants to accumulate preference points in the initial license drawing, they must select the fee option that includes the preference point fees for full price elk, deer and antelope licenses. The preference point fees that must be remitted are \$50 for elk, \$40 for deer and \$30 for antelope (\$10 for youth for each species). These applicants will be awarded a preference point if unsuccessful in drawing their first choice.

For nonresident full price elk, full price deer and full price antelope, an individual’s accumulated preference points are only considered in the limited quota drawing for the applicant’s first choice in the preference point drawing.

If the applicant submits the appropriate preference point fee with their limited quota license application for the initial license drawing and does not draw their first choice, they will be awarded a preference point for the year in which the application was submitted. Drawing a license for your second or third choice does not cause preference points to be deleted and the applicant will still be awarded a preference point for the year.

For nonresident full price elk, full price deer and full price antelope, an applicant will lose all accumulated preference points if they draw their first choice license in the initial limited quota drawing or if they fail to purchase a preference point in the initial drawing or during the appropriate application period for two (2) consecutive years.

For party applications, all of the applicants’ preference point totals will be averaged to determine the preference point ranking used in the preference point drawing.

There are no preference points for reduced price cow/calf or reduced price doe/fawn licenses. Applicants for reduced price licenses do not lose their preference points if successful in the reduced price license drawing, nor do they accumulate preference points if they are unsuccessful drawing these license types.

If you select the preference point fee option when submitting your **nonresident** application for the limited quota drawing, the fee you must remit is as follows:

	REGULAR			SPECIAL			YOUTH		
Full Price Elk	\$641	\$14	Application Fee	\$1,121	\$14	Application Fee	\$299	\$14	Application Fee
		\$577	License Fee		\$1,057	License Fee		\$275	License Fee
		\$50	Preference Point Fee		\$50	Preference Point Fee		\$10	Preference Point Fee
Full Price Deer	\$366	\$14	Application Fee	\$606	\$14	Application Fee	\$134	\$14	Application Fee
		\$312	License Fee		\$552	License Fee		\$110	License Fee
		\$40	Preference Point Fee		\$40	Preference Point Fee		\$10	Preference Point Fee
Full Price Antelope	\$316	\$14	Application Fee	\$556	\$14	Application Fee	\$134	\$14	Application Fee
		\$272	License Fee		\$512	License Fee		\$110	License Fee
		\$30	Preference Point Fee		\$30	Preference Point Fee		\$10	Preference Point Fee

Some suggestions when applying for licenses with the preference point option: to maintain your preference points, do not apply for an easy-to-draw area as your first choice. If you do and are successful, then all of your accumulated points will be deleted and the odds of drawing a license in a hard-to-draw area will be diminished for several years until you build up preference points again. If you desire to hunt more often without sacrificing your preference points, continue to apply for your preferred (hard-to-draw) hunt area as a first choice and apply for easy-to-draw hunt areas as your second choice. By reviewing the random drawing odds from previous years, you can find hunt areas with good odds of drawing a license as a second and possibly a third choice. On the other hand, it is nearly certain you will draw a license in a hunt area with 100% odds listed for the second choice drawing. However, be advised that drawing odds can and do change from year to year as applicants shift their preferences for specific hunt areas. The prior year’s drawing odds are a useful indicator of relative odds, but provide no absolute guarantees.

## **SUPER TAG, SUPER TAG TRIFECTA RAFFLE**

Wyoming statutes provide for the issuance of big game, trophy game and wild bison licenses through a competitive raffle process. A Super Tag raffle chance provides an individual the opportunity to draw a bighorn sheep, moose, mountain goat, wild bison, elk, deer, black bear, mountain lion or antelope license. One license will be issued to the winner of the raffle drawing for each species upon submission of the appropriate license fees. A Super Tag Trifecta raffle allows one winner to obtain up to three different licenses for three different species from the preceding list of species upon submission of the appropriate license fees. Winners of the Super Tag and Super Tag Trifecta raffles may hunt in any open hunting season in the state for the species for which their license(s) are valid, and during an established hunting season with one exception – the Super Tag and Super Tag Trifecta licenses will not be valid in any moose hunt area with a total quota of ten (10) or fewer antlered or any moose licenses, or any full price bighorn sheep hunt area with a total quota of eight (8) or fewer full price bighorn sheep licenses. Winners of either raffle will not be subject to lifetime restrictions for mountain goat and wild bison licenses, or the 5-year waiting period for bighorn sheep and moose. Also, preference points will not be lost for any species when the hunting license was acquired through winning either of the raffles. Application for licenses through the regular drawing process is independent of the raffle drawings and any license obtained through the raffles may be exercised in addition to a license for the same species issued through the regular license drawings.

A person may purchase competitive raffle chances for multiple species and can submit an unlimited number of chances for both the Super Tag and the Super Tag Trifecta raffles. For the Super Tag Trifecta raffle, a person does not need to select the individual species at the time they purchase a raffle chance. Super Tag and Super Tag Trifecta competitive raffle chances for the 2017 hunt season are available from July 15, 2016 – July 1, 2017. A competitive drawing will be conducted to determine the winners of the individual species Super Tag licenses and the Super Tag Trifecta license. Licenses will be issued by the Cheyenne Headquarters Office to successful raffle winners after the respective license fees are remitted. No preference will be given to residents or nonresidents in the drawings. **Licenses obtained from the Super Tag and Super Tag Trifecta raffles are not transferrable to persons other than the person named on the entry form.** Youths who purchase competitive raffle chances must meet the age requirements to apply for big game, trophy game and wild bison licenses as specified by Wyoming statute. **Super Tag and Super Tag Trifecta raffle ticket purchases are not refundable. Refunds will not be issued to unsuccessful applicants.**

## **OTHER IMPORTANT APPLICATION INFORMATION**

### **Draw Selection**

In an attempt to assure fairness, all limited quota licenses are initially allocated to applicants on the basis of randomly generated numbers through a computerized drawing system. A computerized, random selection process will determine successful applicants.

Each drawing is independent of all other drawings. The drawing for each species is conducted independently and the result of one drawing has no effect upon other drawings. Therefore, success in the drawing for one species does not guarantee success for another.

### **Minimum Age to Hunt, Youth Licenses**

The minimum age to take any big game or trophy game animal is twelve (12) years of age. An applicant may apply for any big game or trophy game license if he/she is eleven (11) years of age, but must be at least twelve (12) years of age when hunting. Applicants less than eighteen (18) years of age and at least eleven (11) years of age at the time of application may apply for a youth license and remit youth fees. Applicants must be at least fourteen (14) years of age prior to September 15 of the application year in order to hunt wild bison.

### **Pioneer and Pioneer Heritage Licenses**

The Department and automated license selling agents issue a pioneer elk license for a fee of \$5 and a pioneer deer, antelope or spring/fall wild turkey license for a fee of \$2. If these licenses are applied for through the initial drawing process, a nonrefundable \$5 application fee is required in addition to the license fee, except for wild turkey. Eligibility requirements for

these licenses are: any Wyoming resident who is at least seventy-five (75) years of age and has continuously resided in Wyoming for at least fifty (50) years immediately preceding date of application.

The Department and automated license selling agents also issue a pioneer heritage elk license for a fee of \$32, a pioneer heritage deer license for a fee of \$23, a pioneer heritage antelope license for a fee of \$20 and a pioneer heritage spring/fall wild turkey license for a fee of \$10. If these licenses are applied for through the initial drawing process, a nonrefundable \$5 application fee is required in addition to the license fee, except for wild turkey. Eligibility requirements for these licenses are: any Wyoming resident who is at least seventy (70) years of age and has continuously resided in Wyoming for at least fifty (50) years immediately preceding date of application.

Big game pioneer and pioneer heritage applicants must meet the above criteria by June 15th. Pioneer and pioneer heritage individuals applying for limited quota elk, deer or antelope licenses must compete in the initial drawing to determine successful applicants and pay the applicable nonrefundable \$5 application fee.

Pioneer and pioneer heritage general elk, general deer and general wild turkey licenses are issued from the Cheyenne Headquarters Office, Department Regional Offices, automated license selling agents and on the Department's website without paying the \$5 application fee. If you just want a general pioneer or pioneer heritage deer, elk or wild turkey license, do not apply in the drawing.

Pioneer and Pioneer Heritage applicants desiring to purchase leftover licenses may do so at the Cheyenne Headquarters Office, Department Regional Offices, automated license selling agents and on the Department's website.

## Refunds, Cancellation of Licenses, Reservation of Licenses or Unable to Use the License for Good Cause

Each applicant assumes an inherent risk when applying for a license to be used in the future. **License fees are generally nonrefundable once a license has been issued and licenses are nontransferable.** Please consider the risk when applying.

Refer to the Department's website under Regulations, [License Information Chapter 44](#) for information on license refunds, cancellation of licenses, reservation of a license and unable to use a license for good cause.

## Residency Requirements

To qualify for a resident license, preference point, permit or tag, a person shall be domiciled and physically reside in Wyoming for not less than one (1) year immediately preceding the date the person applies for a license, preference point, permit or tag. Additionally, the person shall not claim residency elsewhere for any purpose during the previous one (1) year period. Each person, other than minor dependents or spouses and dependents of qualified military residents, must establish their residency independently. A person is considered "domiciled" if he: (a) physically resides in Wyoming, (b) has made his permanent home in Wyoming, (c) is not residing in Wyoming for a special or temporary purpose and (d) has abandoned domicile in all other states.

Neither ownership of property nor a Wyoming mailing address alone is sufficient evidence of domicile. Domicile is established and maintained by the total intent and actions of a person.

A person shall lose his residency in Wyoming if he/she resides in any other state, territory or country for an aggregate of one hundred eighty (180) days or more in a calendar year, except minor dependents, students, active duty military personnel, hospitalized patients and those individuals identified below.

A resident is also any active member or the spouse or minor dependent of any active member of the Armed Forces of the United States who has been stationed in Wyoming for ninety (90) days, so long as the member remains stationed in Wyoming. A Wyoming resident who enters the military from Wyoming maintains resident status if he/she declares Wyoming as his/her home of record, maintains Wyoming voting registration, is on active duty and does not claim residency elsewhere.

Active duty military applicants must complete the Wyoming Proof of Residency Affidavit for themselves, their spouse and their minor children.

A person qualifying as a Wyoming resident in accordance with Wyoming Statute § 23-1-107(c) shall not gain or lose residency for the purpose of serving full time for a period not to exceed four (4) years in an established volunteer service program for charitable, humanitarian or religious purposes. A letter signed and notarized by the volunteer service program's director that describes the services provided (including that they were provided without remuneration), the duration of service and the hours served may be used to establish compliance with Wyoming Statute § 23-1-107(c).

- Your sportsperson ID number and date of birth (DOB) OR last name, DOB, mailing zip code and the last four (4) digits of one of the following items:
  1. social security number
  2. tax identification number (United States legal aliens)
  3. passport number (foreign visitors)
- If you are a resident or a nonresident.
- Which drawing you are applying for. If you are a nonresident and applying for elk, deer or antelope, decide whether you are applying for a special drawing and whether you want to apply with the preference point option.
- What hunt area and type is your first choice, second choice and third choice, if applicable.
- If you are planning on donating to Search & Rescue and/or Access Yes.
- Your credit card number and other card information that may be required.
- If applying as a party member, your party ID number.

Now click on the “I have collected my information and am ready to begin” button.

### **Step 4: Notice - Refund Policy and Credit Card Charges**

Fully read and understand the refund policy by clicking **Refund Policy** in the second paragraph and click on “**Accept**” at the bottom of the box to acknowledge that we will immediately charge your credit card for the full amount of the license plus the application fee and any donations.

### **Step 5: Sportsperson Login**

All applicants are required to provide the last four (4) digits of their social security number to apply for a license or participate in limited quota drawings.

Section 466(13)(A) of the Social Security Act mandates states have in effect a requirement for the social security number of any applicant for a recreational license to be recorded on the application. The Act does not require the social security

number be printed on the face of the license, but does require the number be kept on file at the agency. This provision of the act is to allow for the matching of child support obligors with license holders.

The Department of Health and Human Services has approved an exemption that allows the Department to only capture the last four (4) digits of the social security number, instead of the entire number, to comply with the federal requirements to provide the social security number of a hunting or fishing license purchaser. This exemption is valid until December 31, 2020.

The Department will not print the social security number on any license document. It will not be accessible on any Department internet license application or sale system. Any uses of the social security number will be limited to the last four (4) digits. The Department will not disclose the social security number to any entity, except to the Department of Family Services, as required for child support enforcement. The sportsperson identification number will continue to be the number printed on licenses, not the social security number.

Individuals who do not have a social security number will be required to provide one of the following alternate identification numbers:

1. Resident aliens will be required to provide their Tax Identification Number (TIN). This means a person who is not a U.S. citizen who is in our country on a VISA working for a company earning a paycheck or attending college (also known as Resident Alien Card, Green card or Student VISA).
2. International foreign visitors will be required to provide their Passport Identification Number.

If you have preference points or have applied before, you should be in our customer database. Simply enter your sportsperson ID and date of birth (DOB). If you do not know your sportsperson ID or are a new customer, select the "I have forgotten my sportsperson ID" button. You will be provided with an input screen to enter your last name, DOB, and the zip code (the last mailing zip code we would have on file for you) and the last four (4) digits of your social security number, tax identification number or passport number.

If you are a current customer in our database but have not provided your social security number in the past, you will be provided with an input screen to enter the last four (4) digits of your social security number, tax identification number or passport number.

If you are certain that you have previously submitted applications or purchased licenses and cannot login to our system, please contact the Department at 307-777-4600 for further assistance. **DO NOT create a new customer record.**

## Step 6: Add, Review, and Update Personal Information

If you are a returning sportsperson, please review and update your address and your personal data elements on your customer record.

All customer information can be updated with the exception of your name and date of birth. If either of these is incorrect, please contact the Department at 307-777-4600 for further instructions.

If you are a new sportsperson, please fill out the required information on the screen.

### Are You a Wyoming Resident?

Using the drop down button located on the top left of the screen, choose the appropriate response as per Wyoming Statute § 23-1-102(a)(ix) and Wyoming Statute § 23-1-107.

If you are a Wyoming Resident, you are required to comply with Wyoming Statute § 23-1-102(a)(ix) Wyoming Statute § 23-1-107 by:

1. Reading the Wyoming state statutes listed in the box.
2. Clicking the "I swear, under penalty of prosecution, that I am a Wyoming resident as defined by Wyoming Statute § 23-1-102(a)(ix) and Wyoming Statute § 23-1-107" check box.
3. Providing either your continuous years of residency or days active duty military as defined in Wyoming state statutes.

4. Providing your current Wyoming driver's license, Wyoming state ID or complete the online affidavit, all in accordance with Wyoming state statutes.
5. Active duty military applicants must complete the Wyoming Proof of Residency Affidavit for themselves, their spouse and their minor children.

## Step 7: Hunting Applications Selection

Choose the drawing and species from the list available to you. The list is displayed based on your age, residency, open application dates, and applicable waiting period limitations on moose and full price bighorn sheep and restrictions for mountain goat and wild bison.

## Step 8: Application Type Selection

At this point you must choose whether you want to apply as an **"individual,"** a **"party organizer"** (meaning you are the first applicant to submit an application for the party) or as a **"party member"** (meaning you want to join an existing online party).

A party is a group of hunters who **APPLY** for hunting licenses for the same species, hunt area and type, with the expectation of receiving the same drawing results. All applicants in a party are assigned the same random number; therefore, they receive the same drawing results. Applicants who do not apply as a party are assigned individual random numbers. Applying as a party does not increase the drawing odds. The maximum party size is six (6).

Party applications will be accepted for all big game licenses, except moose, bighorn sheep or mountain goat.

Residents and nonresidents MAY NOT apply together as a party.

- Individual – simply click individual, go to step 9 and fill out the application.
- Party Organizer – Choose party organizer and click **"enter."** The next screen will show you your party ID. The party ID includes the last name of the organizer AND the six digit assigned number. You will have to give this party ID to the members of your party. It is required that they know and use the party ID when they apply to successfully join your party. After you write down the party ID, click **"enter"** to go to step 9 and fill out the application.
- Party Member – If you choose **"party member,"** you must enter in the party ID previously created by the party organizer. Party IDs have no spaces or special characters. Once you enter the party ID, you will be taken to the application screen, but will not be able to change the hunt area or type since party applications are required to have the same species, drawing (special vs. regular), hunt area and type as the party organizer.

## Step 9: Fill Out the Application (select hunt area and type, if applicable)

After choosing the drawing and species, you will need to provide specific information, including hunt area, type, preference point purchase (if applicable), withdrawal block (if applicable) and quantity (if applicable). If you applied as a **"party member,"** you will NOT be allowed to change the species, drawing, hunt area or type.

## Step 10: Voluntary Access Yes Program Donation

Access Yes is a program created to maintain and enhance public access for hunting and fishing. Access Yes is funded by voluntary contributions from hunters and anglers dedicated exclusively for improving public hunting and fishing opportunities in the state. Access Yes donations are only used to provide hunting and fishing access onto private and landlocked public lands. The Access Yes program is in response to numerous requests that the Department address the difficulties of finding places to hunt and fish.

The online transaction provides the opportunity for you to designate any whole dollar amount you wish to contribute when applying for a license.

Donating to the program does not provide or imply that access will be granted to any private land that is not enrolled in the Department's Access Yes Program. If you would like more information on this program, please call (307) 777-4600.

## Step 11: Voluntary Search and Rescue Donation

Wyoming statutes provide for a voluntary donation to be utilized for Search and Rescue activities in the state. This donation will be used solely to defray costs of search and rescue operations. These funds are transferred to the Wyoming Emergency Management Agency for search and rescue operations. As these activities benefit hunters and anglers, the Department encourages your participation in this program. This donation is in addition to other license fees.

The online transaction provides the opportunity for you to designate any whole dollar amount of \$2 or more that you wish to contribute when applying for a license.

## Step 12: Application Review

CAREFULLY read the application review screen to ensure that your choices match what you had intended to apply for. If the information is accurate, choose **“Add to Shopping Cart.”** If you need to make changes or do not wish to complete the application at this time, you must select **“Cancel”** and **start over.**

## Step 13: Shopping Cart

The first step to completing the application process is to CAREFULLY REVIEW ALL INFORMATION ON THE SHOPPING CART SCREEN. You may choose to hit the **“Delete”** button on any application you choose not to apply and pay for at this time. You may choose **“Checkout Now”** to pay for your selections, or **“Add an Application for this Sportsperson”** or **“Switch to Another Sportsperson,”** to submit an additional application in this transaction.

By clicking **“Checkout Now,”** you are swearing **“Under penalty of prosecution, I swear or affirm that the information given by me on this application is true and correct.”**

When you click on the **“Checkout Now”** button, you will be directed to a page that explains the method of refunding license fees to unsuccessful applicants. After reading and understanding the information, click on **“I Understand – Continue”** to proceed to the payment page. You will then be redirected to our credit card vendor’s website. **If your computer settings do not allow you to be redirected to another website, you will not be able to continue.**

## Step 14: Billing Information

Verify the application total listed at the top of the page matches the total amount you are authorizing to be charged to your credit card.

Complete the information as requested. **By clicking “Submit Payment” you authorize full payment of the application total above.**

## Step 15: Receipt

At the conclusion of your transaction, you will see a receipt detailing information about your transaction. You should print this and keep it for your records. If you ever have a question about your credit card charge, the receipt number will be important for reference. **Your receipt is NOT a valid license.**

The party ID is also printed on the receipt along with a recap of your application information.

Note: If you did not receive a receipt confirmation, your application may not have been submitted. Please contact the Department at 307-777-4600 if this occurs.

## I’VE SUBMITTED MY APPLICATION – NOW WHAT?

After you have applied, you can log back into the online system and:

- **View and modify previously submitted applications.** After the Commission meeting in late April, you are encouraged to check the [Department’s website](#) to verify that your season dates have not changed. If you need to modify your application, go to the [Department’s website](#) and log in as you did to enter the drawing. When you get to the **“Hunting**

**Applications Available**” page, click on **“View Previously Submitted Applications”** and then the **“Modify”** button and select the **“Continue to Update Areas and Types”** button. You will not be able to modify the fee type for which you have submitted your application. For example, you can’t change from a regular to a special or a reduced price to a full price or vice versa. The party organizer must make the modifications to party applications.

- **Withdraw your application from the drawing (see applicable deadline dates for withdrawing applications).**  
For deadlines for withdrawing applications using the [Department’s website](#), please review the application deadline chart on pages 1 -5 above. A \$5 fee will be deducted from the license application refund. The refund will be issued upon completion of the drawing. Pioneer applicants are exempt from the \$5 withdrawal fee. Applicants may not withdraw from the Super Tag or Super Tag Trifecta drawing or a preference point only purchase. If you withdraw your application(s) from the drawing, your license fee(s) will not be refunded until after the drawing.  
  
To withdraw an application, go to the Department’s website and log in as you did to enter the drawing. Select **“View Previously Submitted Applications”** and then the **“Modify”** button and the **“Remove Application from Drawing”** button.
- **View results after the drawings are held.** Go to the [Department’s website](#) and click on the **“Hunting in Wyoming”** button, scroll down to **“Application Quick Links”** and choose **“Draw Results.”** Enter your first name, last name, mailing zip code and date of birth to see if you were successful in the drawing.

Successful applicants will be mailed their license within thirty (30) days of the drawing date. Elk, deer and antelope regulations have been combined into one brochure, which will be mailed in August. Applicants who do not receive a license or refund within thirty (30) days following the drawing result date should notify the Department. Unsuccessful applicants will no longer receive refund warrants, but will instead have a credit applied back to their credit card. License fees are returned to unsuccessful applicants. Applicants who wish to obtain results prior to receiving their license(s) in the mail may access this information at the [Department’s website](#) or by calling 307-777-4600.

## **OTHER IMPORTANT INFORMATION**

### **Active Duty Wyoming Resident in Combat Zone Licenses**

Complimentary resident general elk, resident general deer, resident game bird/small game and resident daily fishing licenses shall be issued to any Wyoming resident serving on active duty in the United States military deployed to a combat zone who is home on military leave during the applicable hunting or fishing season and returning to duty in a combat zone. Applicants for licenses shall meet the statutory requirements established in Wyoming Statute § 23-2-101(a) and shall provide to the Department a valid, current military identification card, military leave orders, a current Leave and Earnings Statement indicating the applicant is receiving hostile fire compensation and proof of residency at the time of application. Licenses shall be issued at no fee to the applicant and shall only be issued at the Cheyenne Headquarters Office or Department Regional Offices.

### **Alcohol, Tobacco and Firearm (ATF) Permit Required**

Contact ATF’s Firearms and Explosives Imports Branch at 703-455-7801 or visit their website at <https://www.atf.gov/> regarding nonimmigrant aliens temporarily bringing firearms or ammunition into the United States.

### **All Terrain Vehicle Permit Required**

ORV riders should contact the appropriate local land management agency office in the area in which they wish to ride to determine which roads, trails and areas are open for ORV use and permit requirements. Visit <http://wyotrails.state.wy.us/ORV/Index.aspx> for phone numbers of the various land management agencies in Wyoming.

### **Alteration/Transfer of Licenses Prohibited**

Information on licenses, stamps, permits, tags and coupons, as prepared by the Department or its agents, cannot be altered or transferred. No license, stamp, permit, tag or coupon shall be transferred, or used for the purpose of taking wildlife, except by the individual to whom it was issued and therein named and while in that individual’s possession. No individual

shall take or attempt to take any wildlife using another individual's license, stamp, permit, tag or coupon. Any license, stamp, permit or tag shall not be valid unless the proper fees have been received by the Department. This regulation does not preclude a person from transporting, within Wyoming, game legally taken by another person when the person transporting the carcass has the proper carcass coupon in possession.

## Archery/Firearm/Muzzle-loader/Handgun Requirements

Requirements can be found on the Department's website under Regulations, [Firearms and Archery Equipment Chapter 32](#), Regulation Governing Firearm Cartridges and Archery Equipment.

All legal weapons, including legal muzzle-loading rifles, legal handguns and legal archery equipment can be used to hunt during the regular (firearms) hunting season.

## Conservation Stamp Requirements

**Each person licensed to hunt or fish in Wyoming shall purchase one (1) conservation stamp for \$12.50, valid for the calendar year.** The stamp shall be in the possession of the person while hunting or fishing. If a physical paper stamp is purchased, it shall be signed in ink. Hunters or anglers who acquire a lifetime conservation stamp or a conservation stamp authorization from the Department's electronic license service system shall not be required to meet the signature provision on a physical stamp as no physical stamp will be issued.

Conservation stamps may be purchased from the Cheyenne Headquarters Office, Department Regional Offices, license selling agents and on the Department's website. A lifetime conservation stamp may be purchased by residents and nonresidents for \$180.50 from the Cheyenne Headquarters Office or Department Regional Offices.

## Conservation Stamp Exemptions

Conservation stamps are not required with the following licenses: daily hunting or fishing licenses; special limited fishing permits; Wyoming 50% disabled veteran fishing license; any Wyoming pioneer or pioneer hunting or fishing license; Wyoming 100% disabled veteran game bird, small game and fishing license; United States military purple heart medal game bird, small game and fish license; military combat general elk, general deer or game bird or small game license; furbearer trapping licenses; seine/trap fish licenses; or deal in live bait licenses.

## Donating Licenses to Disabled Veterans or Persons with Permanent Disabilities Who Use a Wheelchair

Hunters can donate their big game licenses to the Department for reissue to disabled veterans or persons with permanent disabilities who use a wheelchair. The recipient of any donated license shall be sponsored by a qualifying nonprofit charitable organization dedicated to providing hunting opportunities to disabled veterans or persons with permanent disabilities who use a wheelchair. Contact 307-777-4681 for more information regarding donating your license to the Department or acquiring a donated license.

## Hiring Outfitters and Guides

Nonresident big game or trophy game hunters are required to have a professional guide or a resident guide only if hunting in designated wilderness areas. Maps showing wilderness areas are available from the U.S. Forest Service.

Wyoming statute states, "No person shall directly or indirectly compensate a person holding himself out as engaging in the business of, or acting in the capacity of, an outfitter or a professional guide unless that person provides proof he is a licensed outfitter or professional guide as required by state law. Any person violating this section is guilty of a misdemeanor."

The Department cannot recommend any specific guides or outfitters. Before hiring an outfitter, the Department advises that hunters check with the Wyoming State Board of Outfitters at 1950 Bluegrass Circle, Suite 280, Cheyenne, WY 82002 or call toll free 1-800-264-0981 or 307-635-1589 or check the Wyoming State Board of Outfitters and Professional Guides website at <http://outfitters.state.wy.us> to verify that the outfitter is licensed by the state of Wyoming. Hunters should be aware that landowners engaging in outfitting or guiding activities on their own land are exempt from licensure by the Board.

Specifically, Wyoming Statute § 23-2-406(a)(iv)(B) states: “Landowner means any person, firm or corporation holding title to, or occupying under a contract of purchase, agricultural land or any person whose family owns at least a majority of the stock in a Wyoming corporation and who provides services specified in this paragraph on lands owned by the corporation and used primarily for agricultural purposes.”

## Hunter Lists

In accordance with Wyoming statute, an applicant’s name, mailing address, phone number and email address will appear on one or more lists, which may be available to the general public. Your sportsperson identification number, date of birth and the last four of your social security number will not appear on any list published by the Department.

## Hunter Mentor Program

Any person born on or after January 1, 1966, who has not received a certificate of competency and safety in the use and handling of firearms, may apply to the Department for a special authorization to take wildlife with the use of a firearm while being accompanied by a mentor. A special authorization issued to an individual shall be valid for one (1) year from the date of issue and shall be in the possession of the recipient at all times while in the field. The application may be obtained from the Department’s website. Any person acting as a mentor to a mentee with a special authorization shall not provide supervision for more than one (1) mentee at a time in the field, other than immediate family members, and shall accompany the mentee at all times to provide constant supervision. **The Hunter Mentor Program is not valid in Grand Teton National Park (Elk Hunt Areas 75 and 79), but is valid on the National Elk Refuge (Elk Hunt Area 77).**

## Hunter Safety Requirements

No person born on or after January 1, 1966, may take any wildlife by the use of firearms on land other than that of his own family, unless the person possesses or can demonstrate they have obtained a certificate of competency and safety in the use and handling of firearms. **All Elk Hunt Area 75 and 79 hunters, regardless of age, must possess and exhibit a valid hunter safety certificate. Compliance will be checked in the field.**

## Hunter Safety Exemption

Any active member, honorably discharged past member, or veteran of the armed forces of the United States and any active or retired Wyoming peace officer who has qualified pursuant to Wyoming Statute § 9-1-701 through 9-1-707 are exempt from the hunter safety certificate requirement. Hunter Safety Exemption Certificates may be applied for at Department Regional Offices or from the Cheyenne Headquarters Office. **Hunter Safety Exemptions are not valid for those hunting elk within Grand Teton National Park (Elk Hunt Areas 75 and 79), and are also not valid for use by a mentor participating in the Hunter Mentor Program.**

## Issuing Licenses after the Initial and Proposed Leftover Limited Quota Drawings

**A sportsperson should understand that the majority of leftover licenses are in hunt areas with limited public access. Applicants are reminded about having permission to hunt on private land before applying for a license. Otherwise, you may end up with a license and no place to hunt and these licenses are nonrefundable.**

All full price limited quota and reduced price limited quota licenses remaining after the initial drawing and proposed leftover drawing will be sold on a first-come, first-served basis through the Department’s Electronic License Service (ELS) via the Department’s website, at Department offices or automated license selling agents.

## Permission for Access

Approximately half of Wyoming is private land. Some of the public lands can only be reached by crossing private land. To cross private lands, permission must be obtained from landowners. Landowners have the right to control access to their lands or charge a fee for access. Written permission or other proof of permission for access is required before one can hunt on private land. The following tips should help minimize access problems:

1. Be familiar with the land ownership before applying for a license.

2. Make hunting arrangements with the landowner in advance of applying for a license.
3. Avoid the season opening day. Many landowners are full on opening day, but have vacancies later in the season.
4. Carry a good map and/or a GPS with landownership information. Maps showing public and private lands are available. It is a good idea to check with local land management agencies to see if land sales have changed the status of lands in your hunt area.
5. Know where you are. Wyoming law does not require landowners to post their property. It is the hunter's responsibility to know if the land is public or private.
6. Some county assessor's offices have landownership information on their county websites and chambers of commerce may be able to advise you of landowner names in surrounding hunt areas.
7. Some private land is open for public access through either Walk-in Area or Hunter Management Area programs. Information about Walk-in Areas and applying for Hunter Management Area permits can be obtained from the Department's website under [Public Access](#).

## Persons with Disabilities Hunting Permit Provisions

Requirements for persons with disabilities hunting permits can be found on the Department's website under Regulations, Hunting Permit Regulations For Persons With Disabilities [Chapter 35](#).

Disabled Hunter Permits, Shoot From a Vehicle Permits, Central Visual Acuity Disability Permits or Disabled Hunter Season Extension Permits are not valid in Grand Teton National Park (Elk Hunt Areas 75 and 79) or the National Elk Refuge (Elk Hunt Area 77).

## Resident Lifetime Archery License

Wyoming residents may purchase a lifetime archery license for \$202. These licenses are available at the Cheyenne Headquarters and Department Regional Offices.

## Reservation of Full Price Licenses

Individuals who have been issued a limited quota, full price big or trophy game license and have been unable to use the license for good cause may reserve a license for the same species, hunt area and season type for the immediately succeeding calendar year. Conditions of this reservation can be found on the Department's website under Regulations, [Issuance of Licenses](#), Chapter 44, Section 22.

## Special Archery Seasons

Special archery seasons for big game are established by the Commission in late April. Information on special archery seasons will be available in early May. Traditionally, antelope special archery seasons for most hunt areas open August 15 and close the day the regular season opens. For elk and deer, the special archery seasons in most hunt areas traditionally open September 1 and close September 30 or earlier in September when the regular seasons open.

Hunters holding general or limited quota hunting licenses may hunt with archery equipment during special archery seasons if they first obtain an archery license in addition to their valid hunting license. Only one archery license is required to archery hunt all big game and trophy game animals during the special archery season. Archery licenses are available at the Cheyenne Headquarters Office, Department Regional Offices, automated license selling agents and on the Department's website. Do not purchase an archery license until you have received notification of drawing results.

Some elk hunt areas offer hunting licenses for archery only and these licenses are designated as Type 9 licenses in the *Tentative Hunting Season Information*. Type 9 elk licenses are often available as leftover licenses. Holders of Type 9 licenses are not required to obtain an archery license in addition to the limited quota archery only license, but are restricted to hunting only in the hunt area(s) and during the season specified for the Type 9 license. **In elk hunt areas that have Type 9 archery only licenses, the special archery season may not be open when the Type 9 license season is open or there may not be a special archery season offered for firearm hunters.**

## Wildlife Violator Compact

Wyoming is a member of the Wildlife Violator Compact. This will allow a violator from any of the participating states to accept a wildlife citation and proceed on his way without being required to post an appearance bond, unless the violation requires must appear and no bond accepted. The Compact also recognizes the suspension of wildlife license privileges of any person whose license privileges have been suspended by a participating state. If you have had your privileges suspended in any of the participating states, you may lose your privileges in Wyoming, in addition to all the participating Compact states. Additional information about the Compact can be obtained by contacting the Wildlife Law Enforcement Coordinator at 307-233-6413. Applicants shall be disqualified from participating in drawings or in the awarding of preference points if the applicant's privilege to purchase or receive any hunting license has been suspended by a court order or the Wildlife Violator Compact.

## Youth with Life Threatening Illnesses

The Commission may issue up to twenty-five (25) antelope licenses, twenty-five (25) deer licenses, twenty-five (25) elk licenses and twenty-five (25) wild turkey licenses each year for the exclusive distribution by nonprofit charitable organizations for use by persons twenty (20) years of age or younger with life threatening illnesses. Contact 307-777-4666 for more information regarding these licenses and the related timeframes to request a license.

### Hunt Areas or License Types with Difficult Access

Hunt areas or license types marked with an asterisk (\*) on the tentative hunting season information charts are predominantly private lands, may be limited to hunting private lands only or have inaccessible or limited access to public lands. If you are considering applying for a license in any of these hunt areas, you are advised to obtain landowner permission to hunt on private land or research public land hunting opportunities prior to making application for a license. Obtaining permission to hunt private land after you receive a license is often difficult or impossible. Some hunt areas may have legally accessible public lands, but often such lands are small parcels, receive heavy hunting pressure and may not always contain the species of wildlife you desire to hunt. In addition, wildlife abundance and distribution are often greater on the private land portions of these hunt areas. The inability to secure a place to hunt is not cause for a license refund or exchange of a license for another hunt area. For information on hunting access, see the Department website. There are numerous walk-in and hunter management areas that allow free public hunting access, but hunters should check first to determine if an access area is available for the hunt area and species you wish to hunt.

### Season Dates and Limitations

The preliminary opening dates and limitations are tentative and subject to change.

Opening dates, closing dates and limitations for big game hunting seasons are established each year in late April by the Commission. The Commission reserves the right to not issue licenses for specific hunt areas and license types if it is in the best interest of wildlife management. If an applicant applies for a hunt area and license type in which the Commission did not authorize licenses, the license fee will be refunded, but the application fee will not be refunded.

### Emergency Season Closures

Big game hunting seasons may be closed due to an emergency upon 48 hours notice. The Commission may institute an emergency closure to shorten the season in any hunt area at any time if a harvest quota is reached or if an emergency arises warranting the closure.

\*Difficult public access

### **Hunt Areas or License Types with Difficult Access**

Hunt areas or license types marked with an asterisk (\*) on the tentative hunting season information charts are predominantly private lands, may be limited to hunting private lands only or have inaccessible or limited access to public lands. If you are considering applying for a license in any of these hunt areas, you are advised to obtain landowner permission to hunt on private land or research public land hunting opportunities prior to making application for a license. Obtaining permission to hunt private land after you receive a license is often difficult or impossible. Some hunt areas may have legally accessible public lands, but often such lands are small parcels, receive heavy hunting pressure and may not always contain the species of wildlife you desire to hunt. In addition, wildlife abundance and distribution are often greater on the private land portions of these hunt areas. The inability to secure a place to hunt is not cause for a license refund or exchange of a license for another hunt area. For information on hunting access, see the Department website. There are numerous walk-in and hunter management areas that allow free public hunting access, but hunters should check first to determine if an access area is available for the hunt area and species you wish to hunt.

### **Season Dates and Limitations**

The preliminary opening dates and limitations are tentative and subject to change.

Opening dates, closing dates and limitations for big game hunting seasons are established each year in late April by the Commission. The Commission reserves the right to not issue licenses for specific hunt areas and license types if it is in the best interest of wildlife management. If an applicant applies for a hunt area and license type in which the Commission did not authorize licenses, the license fee will be refunded, but the application fee will not be refunded.

### **Emergency Season Closures**

Big game hunting seasons may be closed due to an emergency upon 48 hours notice. The Commission may institute an emergency closure to shorten the season in any hunt area at any time if a harvest quota is reached or if an emergency arises warranting the closure.

\*Difficult public access

### Hunt Areas or License Types with Difficult Access

Hunt areas or license types marked with an asterisk (\*) on the tentative hunting season information charts are predominantly private lands, may be limited to hunting private lands only or have inaccessible or limited access to public lands. If you are considering applying for a license in any of these hunt areas, you are advised to obtain landowner permission to hunt on private land or research public land hunting opportunities prior to making application for a license. Obtaining permission to hunt private land after you receive a license is often difficult or impossible. Some hunt areas may have legally accessible public lands, but often such lands are small parcels, receive heavy hunting pressure and may not always contain the species of wildlife you desire to hunt. In addition, wildlife abundance and distribution are often greater on the private land portions of these hunt areas. The inability to secure a place to hunt is not cause for a license refund or exchange of a license for another hunt area. For information on hunting access, see the Department website. There are numerous walk-in and hunter management areas that allow free public hunting access, but hunters should check first to determine if an access area is available for the hunt area and species you wish to hunt.

### Season Dates and Limitations

The preliminary opening dates and limitations are tentative and subject to change.

Opening dates, closing dates and limitations for big game hunting seasons are established each year in late April by the Commission. The Commission reserves the right to not issue licenses for specific hunt areas and license types if it is in the best interest of wildlife management. If an applicant applies for a hunt area and license type in which the Commission did not authorize licenses, the license fee will be refunded, but the application fee will not be refunded.

### Emergency Season Closures

Big game hunting seasons may be closed due to an emergency upon 48 hours notice. The Commission may institute an emergency closure to shorten the season in any hunt area at any time if a harvest quota is reached or if an emergency arises warranting the closure.

The preliminary opening dates and limitations are tentative and subject to change.

Opening dates, closing dates and limitations for big game hunting seasons are established each year in late April by the Commission. The Commission reserves the right to not issue licenses for specific hunt areas and license types if it is in the best interest of wildlife management. If an applicant applies for a hunt area and license type in which the Commission did not authorize licenses, the license fee will be refunded, but the application fee will not be refunded.

### **Emergency Season Closures**

Big game hunting seasons may be closed due to an emergency upon 48 hours notice. The Commission may institute an emergency closure to shorten the season in any hunt area at any time if a harvest quota is reached or if an emergency arises warranting the closure.

**Hunt Areas or License Types with Difficult Access**

Hunt areas or license types marked with an asterisk (\*) on the tentative hunting season information charts are predominantly private lands, may be limited to hunting private lands only or have inaccessible or limited access to public lands. If you are considering applying for a license in any of these hunt areas, you are advised to obtain landowner permission to hunt on private land or research public land hunting opportunities prior to making application for a license. Obtaining permission to hunt private land after you receive a license is often difficult or impossible. Some hunt areas may have legally accessible public lands, but often

such lands are small parcels, receive heavy hunting pressure and may not always contain the species of wildlife you desire to hunt. In addition, wildlife abundance and distribution are often greater on the private land portions of these hunt areas. The inability to secure a place to hunt is not cause for a license refund or exchange of a license for another hunt area. For information on hunting access, see the Department website. There are numerous walk-in and hunter management areas that allow free public hunting access, but hunters should check first to determine if an access area is available for the hunt area and species you wish to hunt.
