North Fork
Fisherman Creek
Hwy 189 / 191
USFS 30650
Driving Directions: Go about 6.5 miles east of Bondurant on Highway 189 / 191 to where US Forest Service road 30650 takes off to the left (north). This two-track road parallels the instream flow segment along its entire length from where it joins Fisherman Creek right at the highway upstream about 4.7 miles to where it ends at the mouth of Slide Creek.
