

2016 Walk-In Hunting Areas

A Walk-In Area (WIA) is a tract of private or state land on which the Wyoming Game and Fish Department has leased certain privileges for public hunting or fishing enjoyment. Please help keep these areas open each year by respecting the landowner, following the Walk-In Area rules, and by donating to Access Yes when you purchase your hunting or fishing licenses.

Hunters or anglers are not required to seek permission from the landowner directly as long as they are hunting approved species, during the access period as shown in the access table for that Walk-In Area. All WIAs have signs posted to mark the boundaries.

Walk-In Hunting Rules:

- Walk-in Areas are private property and only landowners may allow other activities such as trapping, antler hunting, photography, etc.
- Access is limited to individual access for hunting and does not include access for any commercial activity, including outfitting of hunters.
- Only hunt the species that are allowed to be hunted on a Walk-in Area. Refer to the appropriate table for the specific Walk-in Area. WIAs may be enrolled for hunting or fishing. Check posted signs and the appropriate "hunting" or "fishing" online atlas for the appropriate access information.
- No pre-season scouting or access outside the dates in the access table.
- Motorized vehicles are prohibited (some large WIAs may have exceptions, please see each access table).
- No construction of blinds, pits or other structures, including "pop-up" blinds.
- No camping.
- No fires or possession of lighted smoking materials outside your vehicle.
- Do not litter. Please pack out all trash (this includes spent shotgun shells or hulls).
- No shooting within 100 yards of buildings and livestock.
- Do not trespass on adjoining private lands not enrolled in the Walk-in Area Program.
- Hunters are required to purchase a Pheasant Management Stamp to hunt pheasants on Walk-In Areas in counties where pheasants are stocked. See current pheasant regulations for more information.
- All other state and local laws apply. Species may only be hunted during open seasons according to Game and Fish Commission Regulations.
- If there is a drop box available, hunters must deposit landowner

Counties	Department of Veterans Affairs
Walk In Hunting Area	Federal Aviation Administration
Bankhead Jones	Fish & Wildlife Service
Bureau of Indian Affairs	Forest Service
Bureau of Land Management	Local Government
Bureau of Reclamation	National Grasslands
Corps of Engineers	National Park Service
Department of Agriculture	Private
Department of Defense	State
Department of Energy	State Parks
	Wyoming Game and Fish

Walk in Hunting Access areas are funded by you, the hunter. If you use any of the Walk in Hunting areas or know someone who does, help us keep these areas open each year. You can do this by respecting the landowner, following the Walk-in Rules and by donating to this valuable program. Remember to donate to Access Yes when purchasing your licenses.
